No.DIR/OOR/17/05

21<sup>st</sup> August 2017

Product Design, Prototyping and Packaging are the core areas required to boost manufacturing and thus support Make in India initiative. PE Group is engaged in these areas and couple of project proposals are in pipeline. Also ESDM PG Diploma course needs to be strengthened, in addition to new projects which are in line with the policy of Govt. of India and essential for increasing the internal revenue generation.

In view of above, following reallocation of manpower is made with immediate effect.

- 1) Mr. Ishant Kumar Bajpai, S/E 'C' is shifted to PE Group and shall report to GH, PEG. Biomedical Instrumentation course under preparation and other planned activities in these areas shall be looked after/ implemented by PEG. Mr. Ishant Kumar shall continue to handle Labview classes for PC 500/PC 100 programs, till another staff in C&I Group is trained to handle the same independently.
- 2) Mr. Nishant Kumar, engaged under ICDU Project, will be associated in VL 500 course through GH, VLSI for conduction of specific modules under intimation to his Reporting Officer and Chief Project Investigator.
