

National Institute of Electronics & Information Technology, Gorakhpur

Ref. No: NIELIT/GKP/226(01)/HOSTEL/2017

Date: 01/08/2017

Circular

With an approval of the competent authority, the Hostel Fees for students other than M.Tech., has been revised, w.e.f. 01/08/2017.

1. The fees structure to be followed is as following:
 - [A] For all the courses having semester structure [6-months course / 1-year course]:
 - a. Rs. 5600/- for first semester. (It includes, Rs. 800/- as refundable Caution money)
 - b. Rs. 4800/- for subsequent semester.
 - [B] For short term courses [1, 2 or 3 months]:
 - a. Rs. 800/- per month.
2. For courses of duration of 6 month or 1 years, the Hostel fees will not be counted monthly, i.e. the eligibility for a student to stay in the hostel will be semester wise. As soon as the Academic semester will get over, the student will have to vacate the room within 1 week. If the semester exam crosses six months stay of the student, he will have to pay extra charges on per month basis.
3. The Month wise Hostel Fee Structure will be applicable for only those students who have taken admission in the course, with duration 3 months or less.
4. Renting the hostel on monthly basis is a special case for extremely needy students and hence will need a recommendation from their course coordinator. The recommendation can be made by forwarding the application, written by student, to the Hostel Warden.
