July 25, 2013

OFFICE ORDER

The vision of the NIELIT is to be the leader in development of industry oriented quality education and training in the state-of-the-art areas, establish standards and be the country's premier institution for examination certification in the field of Information, Electronics and Communications Technology (IECT). In the changing environment, role/profile of employees needs to be augmented continuously. Middle level officers need to be given on the job training and exposure in different types of work to develop them to work at senior level.

2. Keeping in view the requirement, activities of the Centres of NIELIT, recommendation/request of Director/Director-in-charge, complaints against employees, own request of employees and in exercise with the provisions contained in Transfer Policy of NIELIT, the following transfers/postings are made in public interest along with the posts:
