OFFICE MEMORANDUM

Subject: Release of funds under NECB Project - reg.

Utilization of GIA for NECB project, process of Construction Payment has already been laid down vide OM no. MIS(11)2017-NIELIT(Civil)/01/7291 dated: 29.11.2018.

2. Regarding recurring expenditure, the 100 % advance based on anticipated requirements upto March 2019 has been released excluding a few where recurring expenditure are nearing or exceeded the ceiling. Afterward head wise ceilings have been worked out for every individual Centre based upon OM NER(68)2017-NIELIT(Civil)/01-Vol-V/7292 dated 29.11.2018 as well as inputs from Centres.

3. Centres are also asking for release of funds for procurement of equipments as some centres are nearing Completion of construction.

3. PRSG vide its 6th meeting held on 24.08.2018 has recommended the following:

- i. After completion of construction of a centre/ extension centre under the project the capital GIA needs to be stopped and recurring expenditure has to be met out from centre's own resources (subject to utilization of recurring head for a maximum period of five years from the year the centre actually started utilizing the same).
- ii. NIELIT Hqr may initiate action regarding inauguration, completion etc of NIELIT Centers/ extension Centres.

4. In compliance of above recommendations of PRSG the following actions are required:

- i. For calculating the timelines of five years for stopping the funds under RE head, financial year of start of first training/release of funds to the centre by HQ has been considered as start time of the five year duration. Accordingly, statement showing status of Centres in respect of five year duration of RE support from GIA is as per Annexure-I. The RE support to Lunglei and Chuchuyimlang centers has already exceeded to 6th year. Amount Rs. 72 lakh and Rs. 50 lakh were released to these two centres in their 6th year respectively. Actual recurring

expenditure by these two centres in their 6th year by utilizing the 6th year RE release is to be worked out. In accordance with PRSG recommendation actual recurring expenditure in 6th year by these three centres is to be recouped from Internal Generation (IR) by Centre and the same is also adjusted in the next release by HQ.

- ii. The centers whose construction activities are nearing completion are required to be equipped with lab and other infrastructure to ensure its operations as quickly as possible. Accordingly, the centers whose construction status has reached 80% and above, funds to the extent of balance ceilings in GIA under equipment head would be considered for release subject to availability of funds/ GIA. For procurement of listed equipment as per DPR, centre have to follow:
- Rules, regulations and all codal formalities as enshrined in GFR and other procurement manuals/ guidelines/norms/ financial limit issued by competent Government time to time.
 - Delegation of Powers of NIELIT.
 - Ascertaining that Released funds to Centre for the purpose are to be utilized by or before the due date of submission of Utilization Certificate for these funds.

This issues with the approval of the competent authority.
