FOREWORD

It has been the endeavor of NIELIT to improve work culture and efficiency in decision making. As a part of action plan with regard to D.O. letter dated June 5, 2014 from Cabinet Secretary (which outlines the interactions that Hon'ble Prime Minister had had with all Secretaries), the Committee proposed by MB for reviewing the existing NIELIT DoPs, was approved by the Governing Council in its 32nd Meeting held in 29th November 2014.

Accordingly, the Committee under the Chairmanship of Additional Secretary (e-Gov), DeitY with Joint Secretary & Financial Adviser (JS&FA), DeitY and Managing Director, NIELIT as Members held meetings in May-June, 2015. The recommendations of the said Committee took into consideration the high growth achieved by NIELIT in the recent years, besides the enhancement in its areas of operation, which called for rationalization/ autonomy of powers for continuity of growth and implementation of capacity building measures.

It gives me pleasure to inform the readers that at NIELIT, a slew of measures have been taken to simplify processes, improve transparency, promote accountability and use technology as a 'force-multiplier'.

'Quality is a journey, and not a destination', and thus it has also been our endeavor to further improve the standards of accounting and accountability through internal audits. It is worthwhile to mention that the C&AG audit through the department of posts and telecommunication, had also suggested revision in the existing DoPs, taking into account the anomalies/ ambiguities noticed therein. This revision is also in line with the new paradigm that seeks to convert India into a knowledge economy through the Digital India, Make-In-India, Skill India and other such futuristic programmes of the Government of India.

On behalf of NIELIT, I take this opportunity to express our sincere gratitude to the Hon'ble Minister of Communications & IT, besides Secretary, DeitY, Additional Secretary, DeitY, JS&FA, DeitY, JS (Admin), DeitY and other senior Officers for their guidance and support.

I sincerely hope that the Delegation of Powers which has been revised with effect from 24th August, 2015 with the approval of Hon'ble Minister of Communications & IT (Chairman, GC, NIELIT), is followed in both letter and spirit. For ease of use and accessibility, these DoPs have been categorized as 'Administrative Approvals', 'Financial Approvals' and 'HR & PA Approvals' and the same are also 'colour-coded'.

(DR. ASHWINI KUMAR SHARMA)
MANAGING DIRECTOR, NIELIT

WHAT IS DELEGATION OF POWERS?

Delegation is the assignment of responsibility or authority to another person (normally from a policy maker/ top management or manager or a CEO/ senior management or subordinate) to carry out specific activities. It is one of the core concepts of management leadership. Delegation empowers a subordinate to make decisions, i.e. it is a shift of decision-making authority from one organizational level to a lower one. Delegation, if properly done, is not abdication. In general, delegation is good and can save money and time, help in building skills, and motivate people.

DELEGANT & DELEGATE

The powers of the delegate are precisely those that belonged to the delegant and the actions performed in virtue of the delegation have the same juridical nature as if they had been performed by the delegant himself. Delegation should not, therefore, be regarded as permission or authorization; rather, it is a transfer of power.

When delegation is legally provided for there is no difficulty. It should be noted, however, that even when delegation is authorized by existing law, it is subject to very precise conditions. In the first place, the right to exercise delegation cannot be presumed. Furthermore, those actions for which the right of delegation is granted must be clearly indicated. Finally, delegation must necessarily be limited in time.

EMERGENT CASES

As per Bye-Laws of NIELIT (erstwhile DOEACC Society) vide Serial Number 15, the Chairman of the Governing Council/ Board/ Committee may in emergent cases or under special circumstances exercise the power of the Council/ Board/ Committee, in consultation with one or more Members of the Council/ Board/ Committee and in consultation with Finance Member of the Council/ Board/ Committee. All such matters shall be reported to the Council/ Board/ Committee in their next meeting.

GOVERNMENT OF INDIA GUIDELINES (CVC/GFR/OTHERS)

While incurring expenditure from the Government exchequer, the financial powers delegated to Head of Departments/Head of Offices have to be exercised with utmost care by maintaining financial propriety and strict economy. It has to be ensured that all relevant financial rules and regulations like Delegation of Power, CVC Guidelines, General Financial Rules, 2005, and Govt. guidelines/circulars issued from time to time, are observed. CVC has issued relevant instructions and checklist for the preventive measures in different stages of public procurement. It has also suggested that it is essential to have proper DOPs prepared by all the organizations, so that there is a systematic and uniform approach in decision making. This also involves preparation of a codified purchase/works manual containing the purchase/works procedures and Guidelines. Such an integrated approach would not only help in putting a cap on corruption but would also ensure smoother and faster decision making.
