

GREEN CAMPUS POLICY

NIELIT Calicut is committed to develop its campuses as places where education & associated services are combined with environmental friendly practices to promote Sustainable Development , Compliances of government guidelines time to time by;

- creating awareness with stakeholders on the need for maintaining greenery in the campus for sustainable ambience.
- encouraging all stakeholders to support and participate in ensuring green cover in the campus.
- preserving age old trees and protect them to have prolonged life.
- enhancement of green cover by landscaping with trees and plants.
- explore green audit at regular intervals and implement the suggestions towards creating green campus.
- restricted entry of automobiles, promoting the use of bicycles and provision of Pedestrian Friendly pathways.
- ban of use of disposable Plastics in-line with the Government Guidelines.
- practice disposal of waste including e waste scientifically.
- water harvesting & increasing the solar power generation capacity.
- adopting e-waste guidelines & management

The staff and students are encouraged to contribute collectively to develop an eco-friendly sustainable campus and disseminate the concept of eco-friendly culture to the nearby community and wherever possible.

The implementation and enforcement of compliance of above policy are entrusted with Civil Maintenance Section. The section may come out with detailed policy document on above & implement as per requirement.
