

Testimonials & Outreach Activity of Feb 2018 Batch Students

Advanced PG Diploma in Electronic Product Design and Manufacturing (PD900) Course

Jishnu M, PD 900-Feb 2018 batch, Intern, Tachlog Pvt. Ltd & HW Design Labs

I was totally impassive before coming here but things began to change after joining here and studied many aspects in electronic field. Skilful faculty with sheer dedication commitment is commendable.

Debojyoti Debnath, PD 900-Feb 2018 batch, Project Intern-Mobilexion Technologies

Being a part of this Premier Institute, NIELIT Calicut makes me feel proud. It also feels great to be surrounded by great enthusiastic faculties who are always there besides to make the entire journey so pleasant and comfortable. The motivating nature & culture of the institute as a whole act as a driving force and holds firm to stay focused on the track of the curriculum and career building ideologies. Being a part of NIELIT Calicut (Advanced PGD in Electronics Product Design and Manufacturing) not only provided me with the education and skills for the curriculum but also helped to bag a job in Placement drive to expertise skills and encash the learning for future endeavours. I recommend NIELIT to all those who are eager in framing skills and want to take knowledge to next level.

Arathi S R, PD 900-Feb 2018 batch, Project Intern-Mobilexion Technologies

I joined National Institute of Electronics and Information Technology (NIELIT), Calicut with a lot of hopes. And that decision was right one for me because it paved the path to my dream. I joined the course “Advanced PG Diploma in Electronic Product Design and Manufacturing”. The course modules were completed in time effectively and efficiently. I was supported in all ways by my excellent teachers. Practical training has been emphasised in all the modules taught in the course which enhanced my confidence. The labs are properly equipped with latest technologies and tools. The lab and the teaching staffs have been very supportive during the course. Students are encouraged to come up with solutions to problems on their own during the practical classes under the staff's careful guidance, which enhanced my confidence a lot. I express my deepest gratitude to NIELIT for carving me out in an excellent way.

Vijayakumar.D, PD 900-Feb 2018 batch, Intern – Future Devices

NIELIT is professional & friendly learning environment. Topics & assignments were relevant to my professional development. This type of practical class room training is very helpful for everybody.

Vivek Menon M, PD 900-Feb 2018 batch, Intern - Tachlog Pvt. Ltd.

My experience is second to none, best place to revitalize your skills and to acquaint with new as well. Highly qualified and adept faculties
