

e-lectures- Training using Online Resources for NIELIT Students

In state of pan- India lockdown as announced by Prime Minister Sh. Narendra Modi in wake of Corona Virus scaring spread in India, NIELIT Delhi Centre has started dissemination of knowledge to NIELIT students through Google Online Classrooms for NIELIT O/ A Level, CHM O Level and various short Term and Digital literacy courses currently running in the Centre in order to curtail the loss of students due to pandemic spread all over the nation and entire world & to inspire the students to stay at home by getting them involved through its interactive teaching methods and also covering the loss of time.

NIELIT faculty are recording Video Lectures, making Quiz, assignments from home and also solving doubts/queries raised by their students while attending online classes.
