

Training Partners Accreditation process for Delhi

National Institute of Electronics & Information Technology (NIELIT) is Human Resource (HR) & Capacity Building arm of Ministry of Electronics & Information Technology (MeitY), Govt. of India in the area of Information Electronics and Communication Technology (IECT). 41 Centres/Extension Centres of NIELIT with a network of 700+ Accredited Centres and 9000+ Facilitation Centres are providing services for this purpose. NIELIT Delhi Centre is empowering people of Delhi/NCR through series of Skill Oriented and NSQF aligned courses in Information Technology and Electronics which provides them required skill to use Technology for their benefits.

NIELIT & Skill Mission

NIELIT is effectively playing its Role in Skill India Mission of the Government. To achieve its objective, NIELIT has aligned 75 Skill Development Courses in Electronics (43) and Information Technology (32) areas under National Skills Qualifications Framework (NSQF) ranging from Level 2 to Level 8. The basket of NSQF aligned courses includes courses on VLSI Design & Technology, Reliability, Real Time Systems, Big Data, Cloud Computing, Cyber Forensic, Network Specialist, Electronic Product Testing, Solar-LED products, Robotics, Embedded System Design, Multimedia, Web Technologies, Programming Languages, Office Automation etc.

NSQF is a competency based framework that organizes all qualifications according to a series of levels of knowledge, skills and aptitude with recognition of prior learning & also promotes lifelong learning. NSQF is the next logical step to create a dual system which will unlike the current system, include more youth than it excludes. Presently, more than 100 countries have, or are in the process of developing National Qualification Frameworks. NSQF resolve the issues associated with lack of uniformity in qualifications and / or equivalence of Degrees/Diplomas/Certificates, which impact the employability and mobility of students, NSQF helps in attaining desired competencies & provide returns for additional skills to further upgrade competencies resulting more employment and entrepreneurship opportunities.

NSQF Accreditation Scheme of NIELIT

Now, NIELIT is offering accreditation of 44 NSQF aligned courses to meet the objectives of Skill India Mission and improve the quality of Skill Education in the country and matching it with the International Standards. These courses are of various durations and level and all the courses are listed on National Qualification Register, www.nqr.gov.in. An institute/college may apply and get the accreditation for these courses and run the program at their campus. All the examination and certification would be done by NIELIT. The institutions/colleges Accredited with NIELIT or Affiliated with AICTE/Universities and running similar programs are exempted from Inspection process for the Selected Courses and Accreditation would be granted on Self certification basis to such institutes.

Accreditation & Inspection Fee

Accreditation fee is Rs.10000/- per course and an institution can apply for maximum of 10 courses initially. For the institutions/Courses, where inspection is required to be carried out, Rs.20000/- will have to be paid additionally for visit to institutions irrespective of number of courses applied. GST has to be paid extra as applicable.

Accreditation Process

The details of courses, accreditation process and guidelines are available on our website : nielit.gov.in/content/nsqf. All the prospective training partners are advised to do ground work like arrangements of required documents & Fees, Hardware & Software infrastructure, Faculty arrangements, etc. before applying for accreditation.

The portal for online application for NSQF Accreditation is yet to be operational. Till the availability of Online Portal, applications for the State of Delhi NCR may be sent in the prescribed format with necessary enclosures and requisite fee through Demand Draft in favour of NIELIT Delhi payable at Delhi. All such applications shall be sent in a sealed envelope super-scribing "APPLICATION FOR NSQF ACCREDITATION" by Speed Post / Registered Post to
