

Date: 9th March 2022

Ministry of Electronics and Information Technology (MeitY), Govt. of India. has recently entrusted the NIELIT centres in NE Region with the responsibility to train around 1.65 lakh numbers of different categories of people from the society under a 02 years project “*Capacity Building in IECT including training in Digital Skill sets and Current Industry Demanding Technologies for various sections of society in the NE States*”. NIELIT, Assam’s target is to train around forty five thousand people in a span of 02 years. Under this special capacity-building drive, NIELIT Centres in Assam will offer various awareness programs and training programs for target groups *viz.* Farmers, Women, Elderly people, School & college students, Graduates, Diploma engineers, Engineering Students & School teachers. The eligible students will also assist graduates & undergraduates (technical/ non-technical) in getting the right placement after attending the training programs. Incubation for start-ups in IT & Electronics is also in the purview of this program.

On 9th March 2022, Tezpur EC of NIELIT Guwahati started a one day Awareness program for class VI to VIII students of Sishu Vikash Academy, Tezpur on Awareness on “**Cyber Security & Emerging technologies**” under the said project. Awareness program was participated by 61 students. Students have expressed their positive view of the program and shown keen interest to pursue longer duration courses in NIELIT.
