## **OBJECTIVES OF THE EXPRESSION OF INTEREST (EoI):**

The overall objective of this EoI is to invite reputed academic partners with proven capabilities from Educational Institutions, Colleges & Universities to collaborate with NIELIT Imphal in capacity building & training in the emerging areas to roll out NSQF-aligned/ NECB 2.0 courses and enhance the placement opportunities for students, through the industry-friendly NIELIT courses designed in consultation with Industries and Academia.

Hence, NIELIT invites EoIs through online process from reputed Educational Institutions, Colleges (hereafter referred as 'Institutions') which are in capacity building/training business in emerging areas such as Cyber Security, Blockchain, IoT, 3D Printing, Big Data Analytics, Cloud Computing, Artificial Intelligence, Robotic Process Automation, Mobile Tech, Virtual Reality etc. along with other IECT areas.

## **Modus operandi for Collaboration:**

- A. To create an ecosystem for the conduction of the high-end courses of NIELIT in the partner organisations by NIELIT Imphal for generation of employable skilled manpower.
- B. Infrastructure of the institutions will be used by NIELIT Imphal for conduction of the courses for which NIELIT Imphal will pay a rent for the hired infrastructure or manpower in a mutually agreed term.

## **Mutual benefits out of the collaboration:**

Collaboration of NIELIT Imphal with the organisation(s) is expected to be a balancing act in which everyone has a win-win situation. The benefits could be envisaged as stated below:

- I. Brand creation for both the Institutions.
- II. It would help the institutions to register their effective presence in the emerging technologies.
- III. It would facilitate enhanced placement opportunities for students, as the selection of the courses/ training programmes would be based on the industry requirement and industry would get skilled workforce suited to their requirement from day one of the employment.
- IV. It would facilitate the reach of the latest emerging technologies to wider sections of the Society
- V. It would be able to reap financial benefits / funding.

Interested institutions fulfilling the qualification criteria may send their particulars to "The Executive Director, NIELIT Imphal, Akampat, Post Box No. 104, Imphal – 795001, Manipur, India by giving details preferably in the enclosed format by post or through email to [usha.sa@nielit.gov.in](mailto:usha.sa@nielit.gov.in) on or before 20-01-2025.
