9th January 2025

Dear Training Partner,

Subject: Invitation to Partner in Delivering Quality Education through NIELIT's Newly Launched Courses

Thank you for your continuous commitment to delivering high-quality education and for your significant role in supporting skilling initiatives to address India's need to provide skilled human resources to the Industries.

2. On behalf of the National Institute of Electronics & Information Technology (NIELIT), I am pleased to announce the introduction of a new set of courses that have been specifically designed to meet the changing requirements of the technology. These courses are meticulously designed to meet the changing needs of the industry and are designed to provide participants with the requisite skills to excel in the specialized disciplines of IT and Electronics.

3. NIELIT currently offers a comprehensive range of 122 NSQF-aligned courses in the IT and Electronics sectors. These courses are designed in accordance with National Skill Qualification Framework (NSQF) standards, ensuring quality and relevance. Upon successful certification, learners will also earn credits that can be added to their Academic Bank of Credits (ABC) as per the provisions of New Education Policy 2020 (NEP 2020). The complete list of courses is available on the NIELIT website: <https://www.nielit.gov.in/content/nsqf> and can also be found in Annexure-I. Some of the recently launched courses are available below:

- Repair and Maintenance Assistant "Smart Phones"
- O-Level 'Solar Power Electronics'
- O-Level 'Embedded System Design'
- O-Level 'Chip Design'
- A-Level 'Chip Design'
- A-Level 'Embedded System Design'
- Drone Application Developer
- Scientific Assistant in Data Science for Life Sciences
- Multiomics Data Analyst
- Cyber Security for Cloud Infrastructure
- Essentials of Data Warehousing
- Cyber Security for Cloud Infrastructure

4. To ensure the effective delivery and broad reach of our programs, NIELIT is looking forward to form partnerships with distinguished training providers who are committed to fostering a technologically skilled workforce. Your organization, with its existing accreditation and robust infrastructure, is ideally positioned to significantly influence the professional futures of many aspiring individuals through our courses.

5. Detailed course curriculum, Qualification files, and supporting documents are readily accessible for your reference. These resources will help you assess faculty and infrastructure needs essential for conducting these courses. You can find this information at the following NIELIT website links:

- **IT Courses:** <https://www.nielit.gov.in/content/nsqf-it>
- **Electronics Courses:** <https://www.nielit.gov.in/content/nsqf-electronics>

6. Given your established capabilities and extensive experience in skill development, we are confident that any gaps in requirements can be efficiently addressed to ensure the successful implementation of these skilling courses.

7. We are looking forward to collaborate with you to offer available NIELIT courses. Please feel free to contact us at contact@nielit.gov.in to schedule a meeting or to seek further information about this initiative.

We await your positive response.

Thanking you,

Yours Sincerely,

(Alok Tripathi)

Director (Scheme/ Skilling) & CCoE
