Roles & Responsibilities of Counselor :-

Counselor shall be responsible for providing counseling services to children in conflict with law and children in need of care and protection as well as their parents and families. The counselor shall also work with the CWC and JJB at district level as and when required. Counselor at the DCPU will be responsible for supervising counselors in the institutions and also for providing counseling support to children and families coming in contact with the DCPU.

Roles & Responsibilities of Assistant-cum-Data Entry Operator :-

He/she shall be for entering and maintaining data of DCPU within time limits. Every ADEO has to ensure compiling, verifying accuracy and sorting information to prepare source data for computer entry and reviewing data for deficiencies or errors, correcting any incompatibilities and checking output. ADEO has to apply data program techniques and procedures to generate reports, store completed work in designated locations and perform backup operations, scan documents and print files, when needed, keep information confidential.

Roles & Responsibilities of Outreach Worker :-

He/She shall be reporting to Protection Officers and Legal-cum-Probation Officer. Each Outreach Worker shall assist their respective Officer in carrying out their roles and responsibilities. They shall work as a link between the community and the District Child Protection Unit and shall be responsible for identifying families and children at risk and offer necessary support services. The Outreach Workers shall also be responsible for developing good networking and linkages with the Anganwadi workers and members of panchayat/local bodies at community/block levels. They should also encourage volunteerism amongst the local youth and involve them in the child protection program at block and community levels.

Roles & Responsibilities of Protection Officer(IC) :-

Under the supervision of the DCPO, the Protection Officer (Institutional Care) shall ensure effective implementation of child protection programs and policies relating to children in need of care and protection at the district and local levels. He/she shall be responsible for ensuring effective institutional/residential care services at the district level for all children in need of care and protection. Every district shall have a minimum of one Protection Officer, and maximum of three Protection Officers (Institutional Care) on the basis of number of blocks, geographical spread and case load of the district. In case the Child Welfare Committee has a heavy case load, the State Government can appoint one full time Protection Officer to the Committee. The specific roles and responsibilities of a Protection Officer (Institutional Care) shall include:-

- i) Identify families and children at risk to prevent destitution of children and arrange/provide them necessary support services like counselling, access to health care, education, vocational skills etc., with the support of the outreach worker working under him/her;
- ii) Carry out a situational analysis of children in difficult circumstances, collect and compile data on different dimensions of the child protection problems in terms of number of children requiring support, number of children in institutions and the kind of services they need;
- iii) Carry out a resource mapping exercise and develop a District Child Protection Plan and resource directory of child related services at the district level on the basis of data collected;
- iv) Ensure setting up and management of the child tracking system of all institutional care program including Open Shelters in the district;
- v) Support CWC in the process of inquiry and restoration of children;
- vi) Ensure registration of all child care organizations/institutions/agencies housing children under the Juvenile Justice Act, 2015;
- vii) Supervision and monitoring of all child care organizations/institutions/ agencies, both Govt. & NGO run (with or without support), housing children and ensure implementation of minimum standards of care;
- viii) Supervision and monitoring of other child welfare and protection programs being implemented at district level;
- ix) Identify training need and arrange for training and capacity building of personnel (both Governmental and Non-Governmental) involved in institutional care at district level in coordination with State Child Protection Society;

- x) Ensuring that documents of each child like Birth Certificate, Aadhar Card, School going Certificate, Vaccination certificates, Health Check-up cards etc., of all the children are made available by the CCI.
- xi) Ensure that Registration Certificates of CCIs under Juvenile Justice (Care and Protection of Children) Act, 2015, are verified and updated timely and to carry out registration of new CCIs as per standards of care laid down in Juvenile Justice Act/Rules.
- xii) Ensure NGOs running CCIs must be registered on Darpan portal maintained by the NITI Aayog and follow all government stipulations including Foreign Contribution Regulation Act (FCRA) compliances.
- xiii) Ensure background verification of all NGO run CCI (funded and non-funded) staff to ensure their credentials.
- xiv) Prepare and submit a monthly assessment of CCIs in the district report to the DCPO.
- xv) Any other task assigned by the DCPO for attaining the objectives of the Mission.

Roles & Responsibilities of Protection Officer (Non-Institutional Care)

Under the supervision of the DCPO, the Protection Officer (Non-Institutional Care) shall ensure effective implementation of the non-institutional components of Mission Vatsalya relating to Sponsorship, Foster Care, adoption, After Care and cradle baby scheme. The specific roles and responsibilities of a Protection Officer (Non-Institutional Care) shall include: -

- i) Identify families and children at risk to prevent destitution of children and arrange/provide them necessary support for non-institutional care, where required;
- ii) Support District Magistrate in identifying adoptable children from the district and preparing a district-level database of adoptable children;
- iii) Promote and facilitate adoption in the district with the help of SAA by: a) Registering and maintaining database of adoptable children and PAPs for in-country adoption; b) Promoting in-country adoption within the district; c) Monitor adoption placement and ensure that the SAAs provide post placement support and follow up.
- iv) Ensure that all adoptable children in all Child Care Institutions (CCIs) are brought into the adoption system;
- v) Carry out family based non-institutional care through Foster Care, Sponsorship and After Care programs;
- vi) Carry out resource mapping and contribute in development of a District Child Protection Plan and a resource directory of child related services for noninstitutional care at the district level on the basis of data collected;
- vii) Function as the Nodal Officer for the uploading details of the Children on Vatsalya portal in the district;
- viii) Support CWC in the process of inquiry and restoration of children;
- ix) Supervise and monitor all child care institutions including SAAs in the district
- x) Coordinate with SARA and SCPS for training and building capacities of all personnel (Government and Non-government) involved in non-institutional service to children; and
- xi) Submit quarterly report to SARA on status of adoption program in the district.
- xii) Any other task assigned by the DCPO for attaining the objectives of the Mission.

Roles & Responsibilities of Data Analyst

Each Child Protection Unit at District level shall have one Data Analyst for interpreting data, analysing results using statistical techniques. He/she has to develop and implement data analysis, data collection systems and other strategies that optimize statistical efficiency and quality. Data Analyst has to acquire data from primary or secondary data sources and maintain data base of district in DCPU. Data Analyst has to work with DCPO to outline the specific data needs for each district and prepare district action plan under Mission.

Roles & Responsibilities of Social Worker

Social Worker shall be responsible for coordinating field level activities in their respective cluster of sub-divisions as assigned by the DCPO. He/She shall be assisted by the Outreach Workers for carrying out field level interventions.
