

NOTIFICATION

CHMT O Level Project Submission

Candidates enrolled in the CHMT (Computer Hardware Maintenance Technician) O-Level Course from an Accredited Institute should apply for the Project Completion Certificate online through their respective login on the NIELIT Student Portal (student.nielit.gov.in).

The respective Accredited Institute will verify the details provided by the candidate and complete the submission along with the payment of the requisite fee. They will then forward the fee receipt and the duly stamped and signed Project Completion Certificate to NIELIT via email or post. Additionally, the Accredited Institutes must ensure that candidates complete the project according to the provided guidelines.

The candidates should apply for Project Completion Certificate to their respective Accredited Institute through online by mentioning the project title. The institute will verify the Project Completion Certificate submitted by the candidate and send it to NIELIT HQ, via email or post along with requisite fee (@Rs.118/- for each project). The online payment option will be available at the NIELIT student portal in the individual candidate/institute logins. It is further stated that a separate payment option is been developed by IT Team to process the payment of DGR candidates CHMT - O Level projects whose payment has been received from NIELIT Bhubaneswar and NIELIT Delhi Centres.
