

PROJECT: “Self-employment Capacity building of the Engineering pass-out students belonging to Scheduled Caste/Scheduled Tribe community”

Sponsoring Authority: Ministry of Electronics and Information Technology, Government of India

The scheme aims at upgrading the skills of the Engineering pass-out students belonging to Scheduled Caste/Scheduled Tribe community in various skill development courses and to build the capacity of these students depending upon their educational qualification, present economic trends and the market potential, which can earn them a suitable employment or make them suitably skilled to go for self-employment or capable them for entrepreneur.

Students will be given training on specialized courses for skill development which are aligned by National Skill Qualification Framework (NSQF). It is envisaged that the Engineering pass-out students belonging from Scheduled Caste/Scheduled Tribe communities will be able to face the market challenges and avail opportunities after doing these courses.

(Click [Here](#) for details of the project).

TARGET BENEFICIARIES: The scheme is open for Engineering pass-out students belonging to Scheduled Caste/Scheduled Tribe community only.
